

SOUL THERAPY
Healing at every level of existence

Are you intrigued by spiritual ideas, but put off by how they are often presented?

Do you doubt whether spirituality can be applied in a professional context?

Would you like to know how to bring spirituality into your life and work in a useful, down to earth way?

The Soul Therapy team has developed a unique approach which does just that, applying spirituality in practical ways to 21st Century life and healthcare.

. To be sure of your free place **now**, please go to
www.soul-therapy.co.uk

EVERYONE CAN LEARN TO DO THIS WITH THE RIGHT GUIDANCE

Thursday 30th September 2010
7.00 to 9.00 pm at the
InterChange Studios, Old Hampstead Townhall,
213 Havistock Hill, London NW3 4QP

"An enjoyable and constructive way to open to the true nature of healing and enrich my own and my patient's lives"

Dr E.W. Obstetrician and Gynecologist

"Soul Therapy has enriched my professional practice, adding new possibilities to how to listen, connect and work on many levels"

C.C. Psychotherapist

During the evening, we will be demonstrating our unique approach to practical spirituality and illustrating the effectiveness of Soul Therapy through case studies.

You will experience tried and tested techniques to use in your everyday life.

The Soul Therapy Centre has run its nationally accredited and high quality training course successfully since 1996.

Ingrid Collins, Founder, Consultant Educational Psychologist, Feng Shui Master and Spiritual Healer

Adriana Penalosa-Clarke, Psychologist, Psychotherapist and Spiritual Healer

Kathryn Scorza, Former Advertising and Qualitative Market Research consultant, Hypnotherapist and Spiritual Healer

"As I progress through the course...my ability to connect to my inner being as well as the universal life force has even surprised me at times!" **S.B. Nurse Practitioner**

"Soul Therapy has had a remarkably positive effect on the consultation process"
Dr J.K. General Practitioner
